

# Your patients depend on you.

Plan ahead and save 25% now!

## BD Eclipse™ needle

Needle provides streamlined injection safety and allows for shielding of the needle tip immediately after injection with a single finger stroke.

## BD SafetyGlide™ needle

Needle has Activation Assist™ technology, making a safe injection easier and more efficient.

## BD Integra™ syringe

Syringe is designed to have low medication waste space.

## SAVE 25% (buy 6, get 2)

For every 6\* boxes of eligible product you purchase, you can get 2 additional boxes of product of the same catalog number. The 25% savings represents the value of the total products received during this promotion.

Offer valid on purchases made from July 1 – November 30, 2017. Contact your distributor sales representative for promotion details, rules and eligibility.

\*The value of any rebates, discounts, incentives, or product provided at no charge to customer may constitute a "discount or other reduction in price" under Section 1128B(b)(3)(A) of the Social Security Act [42 U.S.C. Sec. 1320a-7b(b)(3)(A)]. Customer shall satisfy any and all requirements imposed on buyers relating to discounts or reductions in price, including, when required by law, to disclose all discounts or other reductions in price received from BD and to accurately report under any state or federal health care program the net cost actually paid by customer. **Limited to 22 additional boxes per customer and location. Valid for US alternate site (non-acute care) customers only. Cannot be combined with any other offer. Each product redemption must meet the minimum required product for an individual catalog number.**
